

Attention Parents and Students,

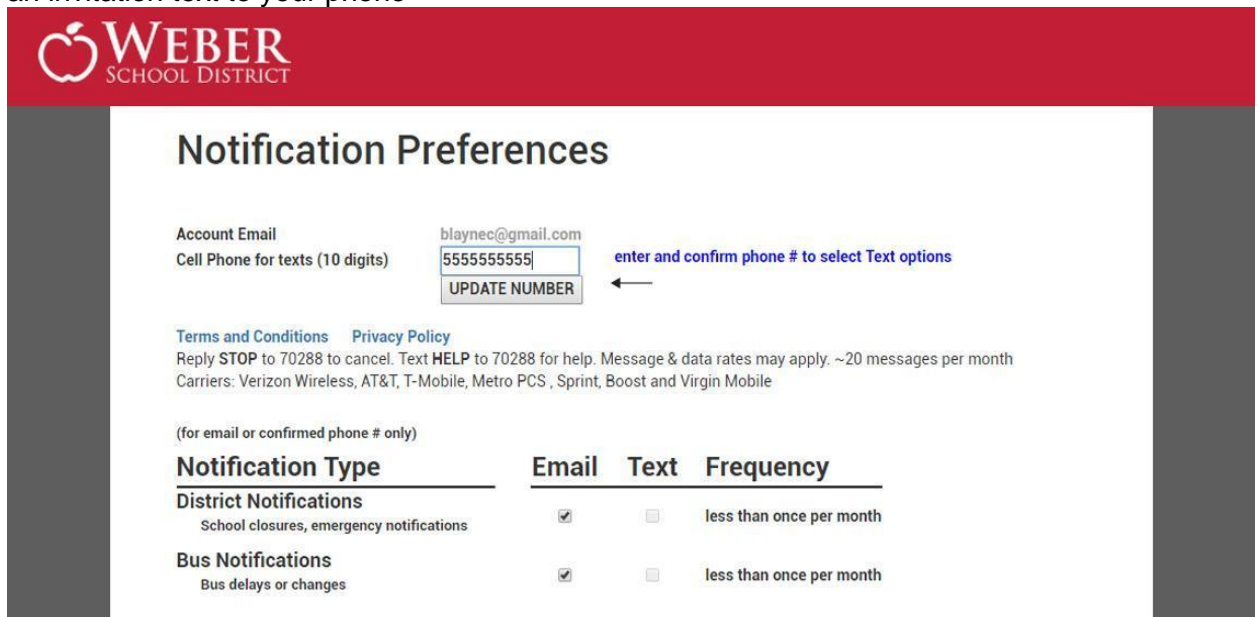

Weber School Districts emergency notification system has been upgraded. These upgrades have made it possible to notify parents/students in a timelier manner via text message. If you were previously subscribed with this system, you will need to re-subscribe. The new system does not allow for a transfer of existing lists. To join the Weber School District emergency notification system see the directions below.

Parent Sign-up

1. Login to myweber.wsd.net.
2. Click on the Emergency Notifications link in the top menu.

3. Enter your cell phone number and press the UPDATE NUMBER button. This will send an invitation text to your phone

4. Reply to the text message with YES. This will confirm the phone is yours.
5. Refresh the Notification Preferences screen and set your preferences.

I have also set up a notification system for Snowcrest Junior High. This system will be used to send out quick updates regarding school activities, schedule changes, emergencies ect. If you would like to receive notifications specific to Snowcrest Junior High follow the directions below.

3 Ways to join my list: @412snowjh

1 To receive text messages

Text - **join @412snowjh**
To - **70288**

To stop receiving text messages

Text - **stop @412snowjh**
To - **70288**

To
