Mrs. Harris' English class has been reading *The Outsiders*, by S. E. Hinton, a 14-year-old boy's struggle with right and wrong in a society where he feels like an outsider. They ended the study by having a rumble between the greasers and the socs in the gym with dodge balls. The classes loved it. A book to be remembered.

**NJHS has been busy collecting coats, hats, and gloves for the less fortunate. Their clean up committee has been busy sprucing up our school.**  
**Thank You!**
